## ENTERPRISE PROFILE ◀

DERUN VEHICLE is a famous brand of trailer manufacturer and truck supplier with 18+ years of experience from China. Since 2005, we have focused on trailer research & production, truck and related parts trading, construction machines sales, fabrication and services for not only China domestic market, but also global countries depending on local needs and special requirements.

DERUN VEHICLE has its own factory Shandong DERUN Special Vehicle Co., Ltd, which is a well-known manufacturer registered and licensed by China National Automobile Enterprise, and trading company Shandong DERUN VEHICLE Co., Ltd, both locate in Shandong Province, normally used to deal with productions and sales business for mainland and offshore customers. Also, we have Hongkong company DERUN FAW GLOBAL LIMITED to offer more convenient and efficient international affairs all over the world. With mature international trade practices and rich manufacturing experience, DERUN VEHICLE has helped thousands of companies and individuals in transport solutions and related machines offers mostly in China, South East Asia, Mid-East, Africa, Mid-Asia and South America based on our reliable quality and good reputations.

DERUN VEHICLE mainly specializes in the DERUN brand trailers and special vehicles, such as flatbed container trailers, fuel tanker trailers, dump/tipper trailers, low bed trailers, cement bulk tank trailers, special purpose trailers and semi-trailers. Based on Long-term strategic partnership with HOWO, SHACMAN, DONGFENG and FOTON Trucks, we also help customers to gain excellent quality trucks all over the world on the most suitable prices.

Our factory covers an area of 530,000 square meters with total assets 70 million Dollars. We have more than 300 workers: Including 65 persons with senior technical titles. We have top-notch numerical control cutting machine, automatic welding machine, large-size bending machine and board press machine in China, tanker body automatic welding tipper, the greatest entire-car-passing type shot blasting machine in Shandong province, 21m length super spray painting and baking varnish room, One hundred kinds of truck semi-trailers and tank trailers have passed our National Technical Appraisal and up to top class level in China, we have passed many certificates, such as ISO9001: 2008, CCC etc.

We are committed to provide our customers with the best vehicle in the world. Our Design Engineer will help you with their new insights, innovative products, and unrivalled domain proficiency. DERUN VEHICLE promises that "Good is not enough when better is available." We sincerely look forward to your visiting and calling.
